Don't Go Home Tonight Unsavd
Old Gospel Song

1. On my heart there lies a burden
For some soul that's gone astray
Meet me down here at the altar,
Don't go home tonight unsavd.

CHORUS:

The end of time is drawing nearer,
Can't you hear the Savior say.
Meet me down here at the altar,
Don't go home tonight unsavd.

2. What if death should overtake you,
Then you would have no time to pray
Now is the time while He's still calling,
Don't go home tonight unsavd.
