Leave A Blessing
Old Gospel Song

1. Open my book, Lord, and look through the pages
Do you find I've been faithful today?
If you see I have walked in a way that has pleased you
Leave a blessing as You pass my way.

CHORUS:

I need a blessing, Lord,
I've been in the valley all day.
My soul is dry and thirsty, Lord,
Leave a blessing as You pass my way.

2. You must have other children whose needs are much greater,
So forgive me for taking Your time.
I know I can make it to the end of this valley,
'Til once more I can feel Your sunshine.
