With You As My Shepherd  
Old Gospel Song

CHORUS:

With You as my Shepherd, how could I want?  
This lamb has your shelter in time of the storm.  
Always in green pastures, led to still waters.  
And when I am low You restore my soul.

1. Some days in my life I feel so blue  
I sometimes can't see the flowers for the gloom.  
But when I stop and take the time, a moment or two,  
I can then feel Your presence and I feel all new.

2. Whenever I'm hurt or suffering in pain  
I know I can always call on Your name.  
It's You that I trust, oh, You're always the same.  
When I was lost to my rescue You came.
