

Irish Song Lyrics

Isle Of Arran

Take me back to the Isle of Arran
I want to go back to that place I love
I can see the bay
Seabirds race the ferry
The old castle lying in the sun

Take me back to the Isle of Arran
The home of my father's father's history
I see holy island
Goatfell touchin' the sky
The ferry sailing into Brodick bay

The isle is something special
It's a place to treasure
I can't wait to see her shore again!
