## Don't You Hear Jerusalem Moan?

Don't You Hear Jerusalem Moan?

There's a Meth'dist preacher, you can tell him by his bow---

Don't you hear Jerusalem moan?

Never grubbles at a chicken, just picks out the co'

Don't you hear Jerusalem moan?

cho: Don't you hear Jerusalem moan?

Don't you hear Jerusalem moan?

Get to Heaven with a ringin' and my soul starts singin'

Don't you hear Jerusalem moan?

There's a Baptis' preacher, you can tell him by his walk

Got a bottle in his pocket an' he can't hardly talk.

There's a Hardshell preacher, you can tell 'im by his shoes,

Never chaws his own terbacc'er er drinks his own booze.

There's a Campbellite preacher, an' his soul is saved,

But he has to get baptised ever' other day.

There's a Holy Roller preacher, he can show you how to shout,

When he gits them all a-rollin' they kick the lights out.

There's a Presbyt'ian preacher, an' he lives in town,

His neck's so stiff he cain't hardly look around.
