For it is my wedding day

I love my Mama and Papa, too

I love my Mama and Papa, too

I love my Mama and Papa, too

But I'd leave them both to go with you

Chorus

I've been all around this country

I've been all around this world

I've been all around this country, Lord

For the sake of one little girl

Chorus

I'm leaving you this lonesome song

I'm leaving you this lonesome song

I'm leaving you this lonesome song

Cause I'm gonna be gone before long
