You know it hurts me so

**Babe, I'm way down here,
You know I'm way down here.**

**Babe, I'm way down here in a rollin' fog,
Baby, please don't go.**

**Babe, I'm way down here,
You know I'm way down here.**

**Babe, I'm way down here on old Parchman Farm*,
Baby, please don't go.**

**Baby, please don't go, (twice)
Baby, please don't go and leave me here,
You know it's cold down here.**

You know it's cold down here.

Babe, it's cold down here.

**You know it's cold down here on old Parchman Farm,
Baby, please don't go.**

**I'm half dead down here, (twice)
I'm half dead down here on old Parchman Farm,
Baby, please don't go.**
