 C F C G7 C G
Gonna dig my grave both long and narrow,
C F C
Make my coffin neat and strong.

Two, two to my head,
C G
Two, two to my feet,
C C7 F C G7 C
Two, two to carry me, Lord, when I die.

My soul's gonna shine like a star,
Like a star, oh Lord, like a star,
My soul's gonna shine like a star,
 G7 C
I'm bound to go to heaven when I die.
