

Don't You Hear Jerusalem Moan

G

Well, I got a home on the other shore

(Don't you hear Jerusalem moan)
I know I'll live there forever more
(Don't you hear Jerusalem moan)

Don't you hear Jerusalem moan?
Don't you hear Jerusalem moan?
Thank God there's a heaven and a ringing in my soul
And my soul set free, don't you hear Jerusalem moan?

It's a high road to walk and a might long way
(Don't you hear Jerusalem moan)
But your feet are just a flying when your soul is saved
(Don't you hear Jerusalem moan)
Chorus

Well, a Baptist preacher sure knows his bible
(Don't you hear Jerusalem moan)
He's on a first name basis with the Saints inside us
(Don't you hear Jerusalem moan)
Chorus
