

Every Time I Feel The Spirit

C

Up on the mountain my Lord spoke,

G7 C

Out of His mouth came fire and smoke.

Am

Looked all around me, it looked so fine,

G7 C

I asked the Lord could it be mine.

Chorus:

C7 F F#dim C

Well every time I feel the spirit,

A7 D7 G C

Moving in my heart, I will pray,

C7 F C

Yes every time I feel the spirit

A7 D7 G7 C

Moving in my heart I will pray.

Oh, I have sorrows and I have woe,
And I have heart-ache here below;
But while God leads me, I'll never fear,
For I am sheltered by His care.
