

Farther Along

C **F** **C**
Tempted and tried, we're oft made to wonder
D7 **G**
Why it should be thus all the day long.
C **F** **C**
While there are others living about us,
G7 **C**
Never molested, though in the wrong.

Chorus:

C **F** **C**
Farther along we'll know all about it;
D7 **G**
Farther along we'll understand why.
C **F** **C**
Cheer up my brothers, live in the sunshine,
G7 **C**
We'll understand it all by and by.

When death has come and taken our loved ones,
Leaving our homes so lonely and drear;
Then do we wonder why others prosper,
Living as sinners year after year.

Often I wonder why I must journey
Over a road so rugged and steep;
While there are others living in comfort,
While with the lost I labour and weep.
