

Green Pastures

 G D G C
Tr oubles and tri als often bet ray those
 G D
Out in the weary body to stray
 G D C
But we shall walk beside the still waters
 G D C
With the Good Shepherd leading The Way

Those who have strayed were sought by The Master
He who once gave His life for the sheep
Out on the mountain still He is searching
Bringing them in forever to keep

Going up home to live in green pastures
Where we shall live and die never more
Even The Lord will be in that number
When we shall reach that heavenly Shore

We will not heed the voice of the stranger
For he would lead us to despair
Following on with Jesus our saviour
We shall all reach that country so fair
