

Hesitation Blues

G **F#** **G** **F#**
Well, standing on the corner with a dollar in my hand,
G **F#** **G** **F#** **F**
Lookin' for a woman who's looking for a man,

Refrain :

C **C7** **G** **G** **Bb**
Tell me how long, do I have to wait ,
D7 **G** **E#** **D C** **Bb** **G** **G**
Can I get you now, or must I he sitate e ?

Well, the eagle on the dollar say, "In God we trust,"
Woman wants a man, she wants to see a dollar first,

Well, pussy ain't nothin' but meat on the bone,
You can-it you can-it you can leave it alone,

Well, you hesitate by one, and you hesitate by two,
Angels up in heaven singing hesitatin' blues,
