

Im Alone All Alone

Chorus:

^E
I'm alone, all alone in this world

^B ^E
I'm alone, all alone in this world

^A
I'm alone, all alone in this world

^E ^B ^E
Take me home, dear savior, take me home

I have no father in this world
I have no father in this world
I have no father in this world
Take me home, dear savior, take me home

I have no mother in this world
I have no mother in this world
I have no mother in this world
Take me home, dear savior, take me home

I have no sister in this world
I have no sister in this world
I have no sister in this world
Take me home, dear savior, take me home

I have no brother in this world
I have no brother in this world
I have no brother in this world
Take me home, dear savior, take me home

I have no sweetheart in this world
I have no sweetheart in this world
I have no sweetheart in this world
Take me home, dear savior, take me home
