

[illegible]

"It's you must milk the brindle cow
that stands in yonder stall,
"And you must feed that little pig
that stands in yonder sty." (twice)

"And you must churn that crock of cream
that I left in the frame,
"And you must watch the fat in the pot,
or it'll all go in a flame." (twice)

"And you must wind that hank of yarn
that I spun yesterday,
"And you must watch that speckled hen
before she runs astray." (twice)

Little Phoebe took the whip and went to follow the plow,
And Equinoxial took the pail and went to milk the cow.
(twice)

The brindle cow she turned around
and sniffled up her nose,
And give him a dip upon the lip,
and the blood run to his toes, (twice)
