

Little Sally Racket

G

Little Sally Racket,

Haul 'em away,
Shipped aboard a packet,
Haul 'em away,
And she never did regret it,
Haul 'em away,
With a haul-ey-hi-o
Haul 'em away.

Little Kitty Carson
Haul 'em away
Slept with a parson
Haul 'em away
Now she's got a little barson
Haul 'em away
With a haul-ey-hi-ho
Haul 'em away.

Little Nancy Riddle, etc.
Broke her brand new fiddle, etc.
Got a hole right up the middle, etc.

Little Nancy Tucket, etc.
Washes in a bucket, etc.
She's a whore, but doesn't look it, etc.

Little Polly Skinner, etc.
Says she's a beginner, etc.
She prefers it to her dinner, etc.
So up, boys, and win her, etc.

Little Nancy Taylor, etc.
Would never touch a sailor, etc.
Till she was harpooned by a whaler, etc.
Oh, we'll go and make her, etc.

Up me fighting cocks now, etc.
Up and split her blocks now, etc.
And we'll stretch her luff, boys, etc.
