

## Moonshiner

          G                                  C  
I've been a moonshiner for seventeen years,  
          D7                                  G  
I've spent all my money on whiskey and beer,  
                                  C  
I'll go up some holler, I'll put up my still,  
          D7                                  G  
I'll make you one gallon for a two-dollar bill.

Chorus :

          G                                  C  
I'm a rambler, I'm a gambler, I'm a long ways from home,  
          D7                                  G  
And if you don't like me, well leave me alone.  
                                  C  
I'll eat when I'm hungry, I'll drink when I'm dry  
          D7                                  G  
And if moonshine don't kill me, I'll live till I die.

I'll go to some grocery and drink with my friends,  
No women to follow to see what I spend,  
God bless those pretty women, I wish they were mine,  
Their breath smells as sweet as the dew on the vine.

I'll eat when I'm hungry, I'll drink when I'm dry,  
If moonshine don't kill me, I'll live till I die,  
God bless those moonshiners, I wish they were mine,  
Their breath smells as sweet as the good old moonshine.

For work I'm too lazy, beginnin's too slow,  
Train robbin's too dangerous so to campin' I'll go,  
Life is a bottle and I'm but a dram,  
When a bottle is empty it ain't worth a damn.

It's grub when you're hungry and booze when you're dry,  
Pretty women when you're lonely  
and religion when you die,  
Life is a bottle and I'm but a dram,  
When the bottle is empty it ain't worth a damn.
