

Take A Drink On Me

G

Now, what did you do with the gun in your hand,

C

You give it to a rounder and he shot a good man,

D7

G

Oh, Lord, honey, take a drink on me.

Chorus:

G

Take a drink on me, take a drink on me,

C

All you rounders, take a drink on me,

D7

G

Oh, Lord, honey, take a drink on me.

If you keep on stalling, you'll make me think

Your daddy was a monkey and mama was an ape,

Oh, Lord, honey, take a drink on me.

You see that gal with a hobble on,

She's good looking just as sure as you're born.

Oh, Lord, honey, take a drink on me.
