Vive l'amour, Vive l'amour, vive la compagne.

Now let every married man drink to his wife,

Vive, etc.

The joy of his bosom and plague of his life.

Vive, etc.

Come fill up your glasses, I'll give you a toast,
A health to our dear friend, our kind worthy host.

Since all with good humor I've toasted so free,
I hope it will please you to drink now with me.

Let every good fellow now join in a song,
Success to each other and pass it along.
