

Wandering

C **F7**
I've been a wandering early and late,
New York City to the Golden Gate,

G7
And it looks like
F7 **Ab** **C**
I'm never gonna cease my wandering .

Been working in the army, working on a farm,
All I got to show for it's just this muscle in my arm,
And it looks like
I'm never gonna cease my wandering.

There's snakes on the mountain, there's eels in the sea,
Red-headed woman made a fool out of me,
And it looks like
I'm never gonna cease my wandering.

My daddy is an engineer, my brother drives a hack,
Sister takes in washing and the baby balls the jack,
And it looks like
I'm never gonna cease my wandering.
