## WHAT'S THE NAME OF THAT SONG

Paul Whiteman

What's the name of that song  
That makes me think of daisies,  
Makes me dream of spring  
Makes me wanna whistle  
Makes me wanna sing  
I wish I knew  
What's the name of that song  
That puts a silver linin right inside my coat  
Makes me think of ice cream slidin down my throat  
I wish I knew, what's the name of that song  
This morning after breakfast I sang it all through  
But tonight I forget all the words  
Excepting I love you  
What's the name of that song  
That makes me think of lovebirds nesting in a tree  
Makes me wanna whisper, "will you marry me?"  
Makes me think of babies bouncing on my knee  
What's the name of that song
